**Ferrari Experience and Retail Area – Yas Island Abu Dhabi
Successful Completion of Piling Works by Swissboring Overseas Piling
Corporation Ltd.**

Dear Sir,

We are pleased to record that Swissboring Overseas Piling Corporation Ltd successfully completed the piling works on the above project without delay and with the full satisfaction on the consultant and client.

We write to formally express our thanks to your whole team who worked on site in a professional and safe manner to complete the work safely without any accident or safety incident.

The magnitude of the project has requested a huge effort of coordination between different contractors present on site in order to achieve a common goal, the result obtained clearly indicated Swissboring Overseas Piling Corporation Ltd as a professional company and we look forward to once again working with, in the near future.

Yours faithfully,

For and on behalf of Aldar-Besix LLC

Hans Jorg Hirschhauser
Project Director
