

CERTIFICATE OF APPRECIATION

We are pleased to record that **M/s Swissboring Overseas Piling Corporation** have successfully completed the Ground Improvement work by executing Dynamic Compaction/Dynamic Replacement technique on the **Project Deira Fish Market for Dubai Municipality**. The Project commenced on **31st August 2013** and completed on **30th October 2013**.

We write to formally express our thanks to your whole team who worked on site in a professional and safe manner without any accidents or safety incidents. Their equipments were in sound condition and were designed to complete the work efficiently and safely. The whole team was very hard working, friendly and easy to work and communicate with.

We would not hesitate in using **M/s Swissboring Overseas Piling Corporation** on any future projects, or recommending them to others.
